Friend Stanley:

I did not want to play
with the Grays for what
they offered me and they told
me that if I could get more
money I could have my re-
lease if I wanted to play
with another team so I am
writing you to sell myself
to you and asking what
terms you will give me
to play with your Club
Carm told me to write you
you can write him if you

Don't take my word for it If we
can come to any Agreements I will
be ready to report to your Club
as I have not gone to training
with the Club. But I am in
Condition as I have been playing
up until a week ago I will
be waiting for a reply

Remain Yours in Sports
Raymond Brown

P.S. would like to get \$275 a month
But you can make your proposition
if it is more than what the
Greys offer me then I am yours
I am also writing the Stars
of Phila.
